CCRManager awarded 1st place in FinTech Awards at Singapore Fintech Festival

Singapore, 14 November 2018

CCRManager was awarded 1st place in the FinTech Awards, Singapore Founder Award category at the 2018 Singapore Fintech Festival today. Awarded by the Monetary Authority of Singapore (MAS) and The Association of Banks in Singapore (ABS), CCRManager was selected from more than 280 global submissions in recognition of its solution for the global financial community.

CCRManager is a cloud-based platform supporting the distribution of trade finance assets by financial institutions. Co-developed with industry leaders and practitioners, CCRManager provides workflow management tools, a secure digital marketplace, governance and compliance controls, and data analytics capabilities to its member institutions globally.

Tan Kah Chye, Executive Chairman and Founder of CCRManager, said, “We are delighted to receive this award. It is really encouraging to be recognised by the FinTech community for our innovation. We are the 1st online platform to serve the secondary market for trade finance and are proud to be a part of the global infrastructure supporting this evolution. CCRManager will continue to work closely with industry leaders and practitioners to form the foundation for future digital innovation.”

Launched in 2017, the rapidly growing digital trade finance initiative today has over 75 global financial institutions members across 26 countries and provides a secure and reliable enterprise platform facilitating the distribution of trade finance, working capital, and supply chain finance assets between financial institutions.
